Public Hearings:

09-039 Main Street Market. Design Review. Christopher F. Webb/Chasebrook Company, authorized agent/owner, is interested in demolishing the existing buildings and redeveloping the site. The first phase will include all site improvements plus the construction of building #1. Building #2 will be constructed later at 1140 North Main Street in the Commercial General (CG) zone; TIN#05-015-0002.

09-040 SDL Airport Hangar. Design Review. Rob Bouwhuis/Logan-Cache Airport Authority, authorized agent/owner, propose to build a 53'x82' airplane hangar. Construction consists of a pre-engineered metal building with metal siding and roof. Translucent panels are used to allow daylight into the building, while also adding visual interest on the exterior. A painted horizontal stripe is also used to create more visual interest. A large vertical bi-fold hangar door is located on the north side. The site work will consist of only an asphalt apron connecting the hangar to the taxi lane and minimal sidewalks from exterior doors. No utility work other than gas, water, sewer service lines will be involved at the Logan-Cache Airport; TIN#04-062-0050.
